TASTER EVENTS

Boarder Taster Nights

We offer 'Boarding Taster Nights' held on a Friday for girls from Years 5, 6 and 7 who are considering boarding at St George's. These events provide a wonderful opportunity to enjoy an evening of fun activities, enjoy supper with our current boarders, meet the Housemistress and experience life in one of our cosy boarding houses. Girls attending a Boarding Taster Night are warmly invited to stay on the following day for an Education Taster Day should they wish to.

Education Taster Days

St George's hosts a termly 'Education Taster Day' for girls from Years 5, 6 and 7. Each taster day is hosted by a different subject department in the school and the events are designed to be challenging and fun. They also provide an opportunity for the girls to make new friends and experience the teaching at St George's.

Booking is essential and preference is given to girls who are registered for possible entry
