Dear Parent/Guardian

OPRO Mouthguards for Sport at St George's School

Next term your child will be taking part in lacrosse. In the interest of their safety it is mandatory that a mouthguard is worn to participate in this sport. We work with OPRO, who are the largest manufacturers of custom-fit mouthguards in the world. OPRO have launched their revolutionary instant product which is a dentist quality mouthguard that can be fitted at home.

Benefits of the Instant Custom-Fit OPRO mouthguard include:

- OPRO's revolutionary fitting mechanism allows the pupil to take an instant dentist impression of their teeth whilst moulding their custom-fit mouthguard
- You can choose between three protection levels and add anti-microbial covering to the mouthguard
- Made in OPRO's manufacturing facility in Hertfordshire, the instant custom-fit offers the highest level of protection as worn by professionals
- Prices start from just £29.99
- No waiting for your mouthguard! The instant custom-fit can be manufactured in two days. Once fitted at home it is ready to use
- You will receive a complimentary self-fit mouthguard with which to practise the fitting process and this can be used as a spare mouthguard for the season
