

Sue Cormack Hall Venue Information

Sue Cormack Hall

The Sue Cormack Hall is fitted with a vast number of seating arrangements, allowing a maximum of 222 persons to sit within the tiered seating bank. Comfy foldable chairs can be added around the balcony and an extra two rows of chairs can be set up in front of the seating bank. The seating bank can be pushed away to open up a large floor area making the Sue Cormack Hall a multifunctional room.

The Sue Cormack Hall has a large stage area which can be used for musicals, performances, dance performances, music events, speaking events, awards ceremonies and more. It is fitted with black tabs and curtains around the sides of the stage and has 4 per side legs for wing space. An outstanding lighting and control system is professionally installed alongside a full size sound system with a digital sound desk and 12 high quality wireless microphones.
